THE BEVERLY HILLS HOTEL | HOTEL BEL-AIR

DISCOVER LOS ANGELES & BEVERLY HILLS

Eclectic, dynamic and theatrical, Los Angeles is a sprawling metropolis where cultures and lifestyles blend only a short distance from breathtaking mountain ranges and sun-drenched beaches. Home to the stars, Beverly Hills is known worldwide for its grand mansions and the chic boutiques and fashion brands of Rodeo Drive.

SHOPPING

When it comes to shopping there's something for everyone, from the funky, retro shops of Melrose Avenue to the ultra-chic boutiques along Beverly Hills' Rodeo Drive. In between, eager shoppers will find Santa Monica's Montana Avenue and Third Street Promenade, as well as extravagant malls such as Century City and the Beverly Center.

ENTERTAINMENT

Los Angeles is a hotspot for entertainment of all kinds – from Disneyland, the family-friendly 'Happiest Place on Earth', to groundbreaking contemporary art at The Broad. Explore the world of cinema at The Academy Museum of Motion Pictures, or head to one of the city's exceptional concert venues, including the Walt Disney Concert Hall (home of the Los Angeles Philharmonic) and the historic Hollywood Bowl. On Hollywood Boulevard is the Dolby Theatre, where the Academy Awards ceremony has been held since 2002.

For sporting action the Crypto.com Arena is a must, home to the NBA Lakers and Clippers, NHL Kings and the WNBA's Sparks. This world-class arena also hosts regular music concerts.

THE GREAT OUTDOORS

The Will Rogers State Historic Park in the Pacific Palisades epitomises the savage beauty of southern California. To the north-west, Malibu Creek State Park offers 5,000 acres of breathtaking trails and wildlife. California's golden coast offers miles of sandy beaches with Santa Monica and Malibu only a short distance away.

DINING

Like Los Angeles itself, the city's dining scene is a diverse one, with an eclectic blend of ethnic cuisine, healthy Californian cooking, gourmet dining and coffee shops. Visitors can look forward to dining like royalty at the many stylish spots around Beverly Hills, West Hollywood, Malibu, downtown Los Angeles, Santa Monica and the San Fernando Valley.

THE BEVERLY HILLS HOTEL SPA

With a vision to create an oasis within an oasis, designer Alexandra Champalimaud has created a serene, elegant spa inspired by the flora and fauna of California. It has four treatment rooms, one couple's suite and a relaxation room for quiet moments of contemplation.

ROOMS & SUITES

The Beverly Hills Hotel has 210 rooms and suites including 23 one-of-a-kind bungalows. Guests may choose the comfortable elegance of the main building or the beauty of the bungalow gardens.

Our guestrooms and suites pay homage to the stellar heritage of this legendary hotel, but with a luxuriously modern edge. Designed to enhance the feeling of LA's casual-chic style while maintaining the property's existing residential feel, many offer a variety of unique features such as private garden patios, kitchens, wood-burning fireplaces and spacious balconies.

Accommodation within the bungalow gardens offers a taste of the ultimate California lifestyle with lush greenery, winding pathways and separate entrances through charming gates or pathways. Choose bungalows with up to four bedrooms, a spacious living and dining area, wood-burning fireplace and kitchen.
